

Have you served on any committees at Bethel Hill Charter School or with any other organization? If so, please list and explain your involvement.

Bryan H. Moore - No, I have not. I look forward to the opportunity to possibly serve on the Board of Directors at BHCS.

Sharris Lester - I currently serve as the Children's Church Auxiliary leader at Elijah Grove Baptist Church. I coordinate lesson plans with the other teachers to ensure that the youth (ages 2-11) have an enjoyable learning experience. I prepare our budget and watch our spending carefully.

Kristy Horner - I have served on the Bethel Hill Charter School Board of Directors for the past six years. During this time I have served as Board Secretary and attended Charter School Conferences. I have also served as a Spelling Bee judge for the past five years and helped with the BBQ fundraiser. Prior to serving on the board, I taught first grade at Bethel Hill Charter School. During my teaching years at BHCS I helped committees with several projects including the BBQ & Auction fundraiser, the Christmas float, and Colonial Days. Outside of Bethel Hill I have served the community through volunteer work with the Roxboro Junior Service League. During this time, I served on the RJSL board in several positions including Secretary.

What strengths do you feel you can bring to the Board of Directors at Bethel Hill Charter School?

Bryan H. Moore - Working and managing in the restaurant business over the last 15 years, I have acquired the skills to work with the public and serve them as a whole. I also have a strong desire to continue to carry out the mission of Bethel Hill Charter School. I want to assist in any way I can to help the school thrive, not only for this generation of students, but for many more in the future.

Sharris Lester - I believe that my greatest strengths are being a self-starter and being reliable. I also think that if you want great things to happen in your community, you have to work to achieve them.

Kristy Horner - As a former teacher, I feel I strengthen the board by bringing insight concerning the needs of students and teachers. During my eight years of teaching, I gained an understanding of what children and teachers need for educational success. With this, I am able to aid the board in teacher recruitment and retention and in providing resources children need in order to be successful. I am also a Bethel Hill Charter School parent which gives me the opportunity to provide parental views to the board.

What else would you like others to know about you that would qualify you to serve on the Board of Directors at Bethel Hill Charter School?

Bryan H. Moore - I am a Person County native who considers it a privilege to have my children attend Bethel Hill Charter School. I understand there are many challenges on the road ahead for our school. I have a strong desire to assist BHCS to thrive and remain relevant for future students and parents.

Sharris Lester - I'm such a huge fan of BHCS! It's not only because I was a student here but it is the change that I have seen in my daughter since she started attending. She has improved in grades, her personality has blossomed and she actually enjoys coming to school. I believe that being on the Board of Directors at Bethel Hill Charter School would give me the opportunity to ensure that other children receive all the great things that mine have.

Kristy Horner - BHCS has grown close to my heart over the past 8 years that I have spent here as a teacher, a board member, and now parent. When I left teaching to spend my days at home with my three children, a piece of my heart remained at BHCS. Because of this, I wished to continue my involvement in making our school a great place to be. Serving on the Board of Directors has been a wonderful and rewarding way to do this.
