**2011/12 School Budget Suggestions**

As most of you know N. C. public schools will be facing an unusually large budget cut for next year. We already know Bethel Hill Charter School will lose approximately \$130,000 in federal stimulus money. Governor Perdue has informed us of possible state cuts from 5% to 15%. That means our total loss could be as much as \$300,000.

Over the next couple of months, our BHCS Board of Directors will be deliberating next year's budget. If you have any ideas on how we can either increase our income or decrease our expenditures, please list those ideas on this survey. Please treat your responses to me as sensitive and return them in a sealed envelope.
